Dear Club,

I wonder how many of your readers have had work-related sex, as in they've been doing a job that has resulted in an unforeseen sexual encounter. Well, that's something that recently happened to me.

I was working as a promotions model at a cosmetics industry exhibition and, as you can imagine, my co-workers were very good-looking girls. During a particularly slow time on the opening evening of the expo I was standing behind the counter when I felt a hand slide down the back of my skirt and nestle on the bump of my arse. I jumped when the hand suddenly squeezed one of my cheeks.

"Nice arse," said my co-worker, Anna.

"Thanks," I replied. "You know what? I actually liked that!"

"Cindy said you would," said Anna.

At that moment Cindy sidled over and said, "Was I right?"

"Right on the money," answered Anna.

The remark made us all chuckle, and Anna suggested that once the expo had wound down for the evening we all head back to her hotel room – which we did. Later that night we were all down to our underwear and sipping wine, when Cindy said, "So, Lucy, have you ever tasted pussy before?"

"No," I replied. "But I'd love to."

Cindy pulled off her knickers, then lay down on the carpet in front of me and spread her legs

as wide as she could. "Wow!" I exclaimed. "Your pussy is so beautiful."

"Then kindly show your appreciation by eating it," said Cindy.

I was on her in a flash. I parted her snatch lips with my fingers and buried my face in her wetness. She smelled gorgeous, sweet and peachy. I inhaled deeply and sighed. Then I started probing her pinkness with my tongue, voraciously dipping it in and out, like a hummingbird extracting pollen from a flower. As I licked, sucked and poked I lost all track of time. At least, I did until Anna suddenly ripped my knickers clean off me, and before I knew it she too was lapping away at pussy – mine. A dirty thought flashed through my mind. I wished that Anna had set up a video camera and shot

us all at it, so that I could frig myself senseless whenever I wanted to, while watching the film.

After a few minutes of our tongue and pussy duelling, I felt that tell-tale tingle in my nether regions, and the oncoming swell of an orgasm. A few moments later it hit me, and as I thrashed about Anna held me in place and ploughed her tongue even deeper inside my cunt as my juice splattered her tongue. I was still cumming when Cindy started squirming beneath me. So I gripped her by the hips and held her down as her juices oozed from her gash.

When Cindy and I had recovered from our orgasms, Anna said, "Okay, ladies, not only is it my turn to cum, but you're both going to cum again with me." Then she trotted off to the bathroom, returning with three dildos.

"Okay, Lucy,"

said Anna. "We're all going to lie on our sides in a rough circle so that we can dildo each other simultaneously. Cool?"

"As a January night in Scotland," I replied.

We all assumed the position and Anna said, "Dildos at the ready?"

As we held our fake dicks aloft, Anna continued, "Then place the head of the dildo at the entrance to the cunt in front of you, and on the count of three we fuck until we all have screaming orgasms."

Anna began the countdown, but at the count of two slammed the dildo she was holding right up my pussy. As my cunt was so juicy from having already cum, it went inside to the max. I gasped loudly, and

IT'S YOUR BIRTHDAY!

Dear Club,

I saw in your last issue it was going to be your 40th birthday. I've only been a *Club* reader for 5 years – I was too young before that – but have to say it's my favourite of all the mags. I read a few other Paul Raymond titles as well, but my mate who put me onto *Club* told me it had the fittest girls, and you haven't proven him a liar yet. Here's to another 40 years so I can grow old with *Club*.

Liam, Chester

Liam, that's exactly how we found out about *Club* as well – word of mouth and people saying it had the hottest women from around the world. Hopefully we're keeping those standards up in these difficult post-internet times, and we'll keep bringing you these girls for as long as you want 'em! Cheers.

WORDS OR PICTURES?

Dear Club,

As much as I like looking at the girls in *Club*...it's the main reason I've been..... buying the magazine for 20 years – I love the letters too. So much thanks for the extra large *Talkin' Blue* section in your latest issue. The combination of filthy letters from your readers and the pictures worked a treat for me. What are the chances of making this permanent? *Samuel, Dudley*

Cheers Samuel, and cheers for being a loyal reader. We just had a massive postbag of filth last month, hence the extra-large section, but we're not averse to doing it again when the postie brings us lots of naughtiness. What do other readers think? More letters and stories, or more flesh?

into Anna. Fuck the gentle approach, we were rabid sluts in heat, and we wanted to bring each other off as quickly as possible. My cunt clenched and unclenched on the dildo drilling me, and after less than 60 seconds I had my second orgasm of the evening, swiftly followed by Anna and Cindy who climaxed together.

Afterwards we relaxed with a few drinks. Anna said, "I think you'll enjoy this," and handed me a CD with footage of our lesbo frenzy. "I didn't think you'd mind." You bet I didn't!

MESSY MISS! ♣

Tenaya's sweet, but she ain't neat...

Tenaya looks like she lives in somewhere from *wallpaper* magazine, or perhaps the films *Barbarella* or *Sleeper*. Either way, it doesn't look too cosy.

"This isn't my house, you fools," scolds Tenaya. "It's a friend's studio. My place is a right tip in comparison. In fact, we were going to shoot at my house, but it's in a state and the photographer had a hissy fit. Clothes everywhere, sex toys on public display, CD's and records all over the shop. In fact, my place looks like a student house after a bomb has dropped."

But you look so refined, Tenaya.

"Looks can be deceiving. I'm just a normal girl, really. Albeit with a messy flat, loose morals and an open door approach to blokes coming round to fuck me!"

We'd love to get messy with you, that's for sure... ♠

Where we look back at the cock-slungers
who hung up their chaps...

No. 7 – STACY VALENTINE

Born in 1970 and raised by adoptive parents, Stacy Baker from Tulsa won a modelling competition in a magazine and followed it up by appearing in *Hustler*. Before long, she was jetting across the globe to do photo-shoots, experimented with a few boy/girl pictorials and then one day in 1996, packed her bags and moved to California to be a porn star. She amended her surname, got big boobs and

spent the next four years fucking her way through the industry, gathering a clutch of awards for her buoyant sexual performances. I wistfully recall knocking a few out to her charms back in the day, in mag and video form – her enhanced tits were a sight to behold, and she always looked like she was enjoying the donging she was getting. Stacy quit in 2000. A documentary was made about her, named *The Girl Next Door*, which won awards for its probing into the realities of the life of a porn star without glamorising or demonising the subject. She works for *Penthouse* today, as a director and model recruiter, and admits to having enjoyed her time as a fantasy figure, but is happy leaving it all behind. That's the kind of happy ending we like here at *Club*. Oh, and the ones you sometimes get at massage parlours if you ask nicely.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?
THIS MONTH: **Sarah Palin**

Don't pretend you haven't thought about it. She's stupid, homely, bursting with wrong-headed opinions, a god-botherer, loves guns, spouts shit at every opportunity... but yet there's something a bit MILFy about her. You wouldn't want to hear a peep out of her before or after (and you'd want any discourse during the act to remain strictly along the lines of "put your penis in me please") but if you're anything like

me (and if you're reading this magazine that means you and I have a LOT in common), then you'd wanna know what it'd be like to hump this right-wing crackpot. She's teetering on the edge of looking like a crazy librarian, but there's something bonkable about Palin. Just please God (even though you don't exist) don't let her anywhere near the White House. Not even on a tour...

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

One Last Boobjob

German internet porn star Sexy Cora sadly died in January of this year at the ripe age of 23 after a failed boob job. The tattooed porn star, who became famous after appearing in the German edition of *Big Brother* last year, was receiving her sixth boob augmentation when she went into cardiac arrest and then a coma. She couldn't be resuscitated, and the two doctors who performed her surgery have been charged with manslaughter over her death. RIP Cora and your enormous breasts.

The Pimpsons

It had to happen. After the glut of porn parodies we've seen over the last few years, with ever more outlandish titles coming our way (seriously, who asked for parodies of *Seinfeld* and *The Human Centipede*? WHO?!?!?) the ultimate nuclear family have just been rendered in full hardcore. *Simpsons: The XXX Parody* has just become available, so you can finally watch Marge lift that green skirt and show Homer her frosted doughnut. The entire cast are yellow as you'd imagine, there are cameos from much-loved characters (Flanders, Barney Gumble and Moe all show up) and, well, as with all ventures of this kind you'd have to be a bit mental to wank off to it.

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

What's got big boobs, chocolatey skin and a lovely fanny that it would probably be a lot of fun to put your wanger into? Weird, you guessed it first time: it's Vanessa Blue, the buxom star of a wealth of porn movies, director of a few more, and owner of her own bunch of naughty websites, even going as far as doing the coding herself. Wow. She's a geek, an entrepreneur and a fuckslut rolled into one very humpable bundle, and spending a little time following her on Twitter

reveals a person who is a) savvy at marketing, b) politically engaged and 3) not prone to sexy talk, or yapping on about puppies and food, or given to banal outbursts on the world at large. Like 93% of ladies in her industry are once in a while likely to fill their timeline with. Let's see what's been on Vanessa's mind this past few weeks:

"I remember when I was in Italy, the world news was everything. Here in the US it seems like anything beyond our borders is immaterial."

"I am really thinking that more kindness needs to be encouraged in this world. It sucks that it has to come to that but we need more of it!"

"Someone needs to invent dog breath mints that actually work! Sheeesh!"

"So what do you guys think about the UK govt. blocking all porn sites? Where are all my UK followers? What are you guys going to do now?"

Okay, we're not entirely sure where she got her info regarding the UK government blocking all our porn sites but it's nice to know she cares enough about her industry to fight for it. Following her at www.twitter.com/Vanessa_Blue will give you an insight into how a star and director handles their business. And also, you get to see her lush tits every now and then.

Top Five...

Sexy Funny Girls

They make you laugh AND give you a boner. What's not to like?

5: Tina Fey

She might pretend to be all dowdy and awkward and incapable of handling men on *30 Rock*, but we all know Tina's got a cracking rack and a pert butt. She's a nerd too, which is always a bonus. If she was a cock fiend, it'd be all gravy.

4: Olivia Munn

You may have caught her on *The Daily Show* on More4, as one of Jon Stewart's news team. If you have, you'll agree that she's got a killer body, a wicked sense of humour, and exotic looks up the wazoo.

3: Gillian Jacobs

This willowy blonde plays Britta in the brilliant US import *Community* (shown on Viva over here) and once you get hooked by her razor-sharp cheekbones and wide eyes you'll want to be her buddy. The kind of buddy that does fucks.

2: Jaime Pressley

Is *My Name Is Earl* even on any more? We gave up on it a few years ago, not because it wasn't funny, but cos it just seemed repetitive. But one reason we might pick it up again is to see Jaime star as Joy, who so brilliantly fills out a pair of hotpants.

1: Sarah Silverman

A filthy mind, a comedy genius, and possessor of a big pair of boobies too, the gorgeous Sarah might not be the kinda gal you'd take home to see your mum confidently, but you wouldn't really want your mum to see the kind of things you'd like to do to her anyway, would you? Or would you, you sicko?

PRICKIPEDIA

THIS MONTH: THE CUNNY EDITION

The average depth of a vagina is between 3 to 6 inches (which is just as well considering the number of blokes who lie about their knob size)

The largest vagina on record belonged to a woman who was 7'8" tall (apparently. I'm not making this up, you know)

The longest clit was recorded at 4 inches long and 1 inch in diameter (please don't feel bad if that's bigger than your cock)

The vagina and the eye are self-cleaning organs (but it's advisable only to put your ding-dong in one of those)

Orgasms relieve menstrual cramps (up there with "sperm is full of vitamins" and "sex cures headaches" if you ask me) ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Oh fuck, I really, really love trips abroad with the girls! Yes, we're not exactly top of the charts for visiting ancient sites and finding out about local customs, but we're definitely number one for throwing wild sex parties! Whether it's us four getting kinky by the side of the pool or those occasions where we go and snaffle a couple of local blokes and give them the time of their lives, it's always sexy fun. After all, who needs sun cream when you can have pussy cream and cock cream every single day? I can't wait to get back on holiday with my horny girlfriends. Look out for us, boys, and you too could receive an invite. It's better than Willy Wonka's golden ticket! ♣

Sasha and girls get really hard only at...

www.paulraymond.com/club

Dear Sasha

Wow. Where do I enrol? You as a teacher was a dream come true for me. I've written to nearly every Club regular girl over the years asking for exactly that, but you're the first one who's done it exactly the way I wanted it. I had a crap time at school, but I'd happily go back to those days just for a chance to learn some lessons from you!
Matt, Pudsey

Hi Matt. I loved every single second of doing that shoot, I can tell you! I've always loved dressing up for sex if it involves a bit of role play, and the idea of a room full of grown men in shorts, their hard-ons straining the material while I tell them what to do had me rubbing my pussy every few seconds. Of course, I'd break every rule going by getting on my hands and knees and wanking them all off. Good job I didn't choose teaching as a career!

Dear Sasha

Me again, your number one fan! Your pics as a teacher were truly amazing. If I was to have a fantasy about you, I'd be in love with you as your pupil. You'd give me detention. After school you'd be telling me to write my lines in a low-cut top revealing your sexy boobs. You look at what I'm writing – it says 'teacher is a sexy bitch'. You'd bend over, giving me a lovely view of your buttocks, while my rod grew looking at your tits...

Simon, Brighton.

Simon, your letter was so horny that I don't want to share it with the Club readers. I'm going to be selfish and keep the rest of it – especially that bit about fucking my arse – to myself. Whenever I feel horny this month, I'm going to read it and have a big wank over it until it's covered in my juice!

WHAT'S SHE LIKE? A delicate but oh-so-dirty redhead.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Because I want to be a model and I know *Club* is a great place to start. It's always full of sexy girls and I want to be with them!

AND HERE YOU ARE.

I didn't believe it when the photographer called me up and said I'd been selected for *Club*. But then he convinced me and I got really horny thinking about it.

WERE YOU HORNY DURING THE SHOOT?

I was very nervous at first. I'd never got naked in front of anyone other than boyfriends before. But after we got warmed up, it was the sexiest experience of my life. You can tell in a few of the finished shots how wet I was getting.

LUCKY PHOTOGRAPHER.

Well, he could have been luckier. I got so worked up that I started fingering myself and told him to jump on and fuck me. Unfortunately he was married and said no, his wife would kill him!

GOOD FOR HIM. LOOKS LIKE WE'LL HAVE TO PHOTOGRAPH YOU PERSONALLY NEXT TIME!

Well, there's no guarantee I'll get so turned on again, but you never know what might happen! ♣

Yes, we want to marry Mary...

Marry made her *Club* debut earlier this year, telling us that in their rush to paw her fine boobs, men often ignored her super-tight other bits. Still an issue?

"Not so much," she laughs. "I got some lovely filthy letters from the *Club* readers, mostly full of pussy worship. I didn't know just how much imagination people put into sexual fantasies – I'd never heard of some of the stuff, never mind tried it!"

Yes, our readers are a creative lot.

"So much so that I ended up writing back to one, and we ended up meeting up. It goes without saying I told him to put his money where his mouth was!" ♣

CRACK TO THE FUTURE

WE GO BACK IN TIME TO CHECK OUT CLASSIC CLUBS AND THE GIRLS OF YESTERYEAR. JUST AS SOON AS WE'VE FIXED THE FLUX CAPACITOR...

Hi guys, I hope you're ready to work up a sweat with your willing partner Ginny!

Okay, let's go! I want to feel those bodies stretch and pump in

HATS OFF TO PHILIPS...

Bored with being a nobody? Well you won't be with a Philips Discoverer!

Not content with producing some of the most exciting electrical goods in the world, those technical whizz-kids at Philips have

come up with the very last word in fancy dress.

Imagine the vast number of friends you'll make when you arrive at the party looking and sounding exactly like a whole host of internationally famous film and TV stars! Imagine being

able to talk like Peter Dinklage at the flick of a switch!

All you have to do is purchase a Philips Discoverer TV helmet and you can be anyone you want to be — on any of four different channels!

The Discoverer has all the features of a normal motorcycle crash helmet, but

with one cunning — a 14 inch colour complete with volume, brightness, tone and colour.

So when you're tired after a hard night being Mel Gibson and Thora Hird, this hi-tech piece of equipment doubles as an ordinary television set! Amazing! ♣

1

FIT AS FUCK

Ah, Ginny, time has not dulled our love for thee. Here in 1991 she's making our Editor, then a clueless 18-year-old student, wank himself to a blur with her spurious gym workout and many other readers besides no doubt. We reckon she's still lush now. Come back to us Ginny, we've still got room for you!

2

POLISH YOUR HELMET

The past is a different country, they buy stupid helmet-shaped TVs there. Yes, the 'Discoverer' was covered in this issue, a TV that looks like a futuristic Henry vacuum cleaner but in fact offers 14" of CRT goodness. We're guessing not many women bought these, but they were a big hit with teenage boys.

3

OWN GOALIE

1991 was the year when David Icke turned from being a former goalkeeper with a reasonable media profile to being a man who with opinions about the earth's energy systems, lizards and extra-terrestrials that — shall we put this kindly — stretched incredulity. He's still out fighting the good fight. On behalf of loony conspiracy theorists, mainly.

4

TWEED DUMB

It was obviously a quiet month in the *Club International* postroom, with the most notable film up for review being the future classic *Last Call* starring Shannon Tweed. You know, *Last Call*, it frequently features on clip shows and magazine lists for the top 10 films of all time. You know, the one where all of Shannon Tweed's clothes fall off repeatedly. You know, *Last Call*. Yes you do, *Last Call*... ♣

God-Star

On 26th March 1990 David Icke visited a medium and faith healer. What happened that fateful day and over the

following months was to change the course of his life forever. The former Coventry goalkeeper, Green Party spokesman and television

personality found himself on a wondrous and incredible journey of discovery. Guided by the master mind The Godform and extra-terrestrials from other dimensions, he went in search of the soul, his travels taking him to Canada, the United States and all over Great Britain, where he spoke to a great number of people about the earth's energy systems. Now David Icke has chronicled his vast experiences in a sensational new book — *The Truth About Us: Why are we here? Where are we going? and What happens when we die?* are just some of the simple questions that David Icke tries to tackle. While it is certain to cause controversy and upset the established churches, we at *Club* are not doubting Thomas, and we do not question the truth that Mr Icke has so very kindly given us. We wish him all the luck in the world as he explores the great mysteries of the universe. In fact we have only one query — WOULD YOU BUY A BOOK FROM A MAN WHO LOOKS LIKE THIS? ♣

budget erotic thriller you do wonder whether the money would not have been better spent on clothes for poor Ms Tweed who spends half the film starkers.

No, the amazing thing about *Last Call* is Ms Tweed's breasts which protrude from her body just as much when she's lying down as when she's upright! Yes, Shannon's boobs defy every conceivable law of gravity!

After you've pondered the reasons for this love-pillow levitation, try answering the

question below to win a copy of *Last Call* and appreciate those horizontal holders for yourself. The first ten correct entries picked from the bin, sorry, the hat, get a copy of *Last Call*.

The question is: Who discovered gravity? Was it a) No one, it was always there, b) Kylie Minogue, c) Isaac Newton?

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

WAX ON, WHACKS OFF!

My husband, John, is an avid reader of your magazine and spends hours poring over the pictures of the girls in it. He's been nagging me for months now to have my pussy waxed smooth like most of your models do these days, which he says is a huge turn-on for him, so last week I decided to give him a treat and get it done. Little did I know that I'd end up fulfilling one of my own favourite fantasies at the same time!

I booked in with a local beautician who works from home and advertises that she does 'Hollywood Waxing'. On the morning of my appointment I was feeling a bit nervous as I drove to her house, but determined to go

through with it for John. When I knocked on the door it was answered by Ali, the beautician, who invited me in. She was about my age, with a good figure shown off by a pair of skinny leggings and a tight white vest top, through which I could see that she had quite small but nicely formed boobs in a lace-cup bra. As you'd

expect from a beautician, she was perfectly made-up, and very pretty.

She led me to her treatment room upstairs, chatting to me on the way to put me at my ease, and giving me a nice view of her peachy bum through the leggings as I followed her up. When we got into the room, she asked if I still wanted the Hollywood, like I'd said on the phone. I said that I did, but was very nervous about it. "There's nothing to worry about," she said, "I have mine done every month." She got me to slip out of my skirt and panties and get up on to the couch.

She started by getting me to pull the skin over my pussy mound taut, whilst she used small strips of wax to take the hair off a bit at a time. She was chatting to me the whole time, and with the warmth of the room and the scent of her perfume, I began to relax, and before I knew it was happening, the top of my pussy was completely bare. "There." Ali said, standing back and admiring her handiwork, "What do you think?" I told her I thought that it looked great, which it did.

Next, she got me to bend one knee up, whilst she stood on the opposite side of me. She told me to pull my pussy lips tight upwards to stretch the skin, then she leant over me to apply the wax strip.

Not surprisingly, for this part of the operation she could hardly avoid touching me, and I felt a little thrill as I felt the back of her hand brush lightly against my clit as she reached over. She finished my first pussy lip with two or three strips, each time just ever so gently touching my little button with her free hand as she did so, and to my extreme embarrassment I realised that my pussy was starting to get more than a little wet with all this attention.

She moved round to the other side of me to repeat the operation, but this time when she asked me to pull my pussy lips tight, there could be no denying the faint noise made by

my inner lips moving against the wetness of my cunt. I went bright red, and started to mumble an apology, but Ali just smiled sweetly and said, "Don't worry, that happens all the time. I think that I must have that effect on girls."

She finished my other pussy lip off like the first, but I couldn't help but feel that she spent a little longer on it, and seemed to be brushing against my clit more often and more firmly than before. What's more, I couldn't deny that I liked the way that it felt, having another girl so close to my intimate parts, and actually touching me where normally only

your magazine when John wasn't around, but I'd never thought that it could go any further than that.

With my second pussy lip now bare as well, Ali stood back to take a look, and I noticed that she was looking a little flushed herself. I could see that her nipples were now standing out hard against the material of her

“I was so wet her middle finger slipped almost immediately into my cunt”

John does. I'd often fantasised when masturbating about going with another woman, and enjoyed looking at the girls in

vest. "Mmm, very sexy." She said, admiring my now completely smooth cunt. "I bet your husband is going to enjoy being the first to feel that."

I could hardly believe what I said next, but I found myself replying, "He doesn't have to be the first, you know."

"Well," said Ali, smiling at me, "I suppose I ought to do some quality assurance."

And with that, she walked back over, leant forward and kissed me full on the lips, her tongue snaking into my mouth as she did so and her hand reaching down between my legs to caress my now totally bald twat. I was so wet, her middle finger slipped almost immediately into my cunt, while she brought her thumb to my clit and started to rub it gently but firmly in a circular motion, all the time her tongue probing my mouth as she continued to snog me.

I was unbelievably turned on at the feel of another girl kissing and touching me. This

was something that I'd fantasised about for years, but never thought could actually happen. I returned Ali's kisses, pushing back against her tongue with my own, feeling the wetness of her mouth as we snogged passionately. Ali continued to fondle my pussy with a touch so skilled I couldn't believe that I was the first girl that she had done this with. She put a second finger up inside my now soaking wet cunt, while her thumb continued to massage my clit, which had swollen with all the attention and was now pushing out firmly from its little hood.

I felt Ali's ring finger reach down between my arse cheeks and start to probe at my little bumhole. By now, my juices were flowing so freely that they had made

Ali's whole hand wet and she used the lubrication to gently slip her finger into my arse, while continuing to rub at my clit with her thumb. My anus has always been incredibly sensitive and this just pushed me over the edge into a shuddering climax. I felt my pussy squirt juices all over Ali's hand as my arse clenched around her finger and I came in one of the most powerful orgasms of my life.

As I lay back on the couch, I watched Ali put her fingers to her mouth and lick my juices from them. "Lovely." She said, "Now it's your turn." She peeled off her vest, revealing small but pert boobs beneath in a lacy bra, which she unclasped and slipped off. Her nipples were poking out firm and hard, and she pinched them between her thumb and finger as she caressed her tits in front of me, before leaning forward and letting me take one into my mouth and suck on it for all I was worth.

She stepped back and pushed down her tight leggings, turning around to pull them off and revealing a tiny pair of thong panties underneath, and a little seahorse tattoo at the top of one cheek. Her arse looked even better than it had done when I'd followed her up the stairs and despite the shuddering climax that

“She was groaning loudly as my tongue worked its way around her pussy”

I'd already had, I started to feel very horny again.

Ali slipped out of her panties and walked back over to the couch, one hand between her legs as she did so caressing her pussy, the other hand on her breast, massaging it firmly. She climbed on to the couch and knelt astride me, her cunt level with my mouth. She was still caressing it as she did so and I could smell that she was obviously getting herself very wet in the process.

She took her finger away from between her legs and ran it around my lips, before letting me take it into my mouth to taste her juices for the first time. I'd never tasted another woman before, only myself when sucking John's cock after he'd fucked me, and I couldn't believe how good it felt.

“More...” I moaned, so Ali took her finger from my mouth and lowered her pussy down onto my face. I ran my tongue all around her lips, exploring their fleshiness and teasing yet more juices from her. She was true to her

word – her pussy was completely bald, just like she'd said, and wonderfully smooth against my mouth. I sucked on her clit gently, feeling it swell as I did so, and heard Ali sigh deeply as another surge of wetness flowed from her.

I could feel her reach behind her and start to caress her own arse, and as I used my hand to open her pussy lips and push my tongue inside her, I felt her slip her finger – still wet from both our juices – into her bum. I probed her cunt as deeply as I could, and got a mouthful of sweet-tasting pussy juice as my reward. By now Ali was fingering her anus furiously, and groaning loudly as my tongue worked its way around her pussy, circling her clit then diving back inside her. Her breathing quickened as I pushed my tongue in as far as it could go, and then I heard her yell out loud as her orgasm hit, lifting her crotch off my face as she did so, and allowing a gush of her wetness to spray over my face.

We were both silent for a few minutes after that, recovering from what had just happened. Then Ali climbed down from the couch and kissed me gently on the lips, tasting her own juice as she did so. “Will once a month be OK for your waxing, then?” She asked.

“How about once a fortnight?” I replied, smiling up at her. Needless to say, my pussy is now permanently smooth and almost permanently wet, too!

The Queen of Club has still got it...

Club has played host to some legends of lust during its 40 years at the top, but few girls have a following as strong and persistent as the de-lovely Sandy. The star of our long-running *Sandy's Fantasies* section, the Euro queen is still going strong and, as the photos prove, still has it going on like a motherfucker.

"I've had a great career," says Sandy, ignoring the fact that we're not looking at her face while she speaks, but at her naked bits. "But the thing I'm proudest of is being in *Club*. We did some great shoots, I had some wild times doing them, and I've still got every single letter I ever received from a *Club* reader, although some of them are a bit ruined with the love juice I splashed on them!"

So, ready to retire?

"Hell no. Not while everything is still pointing in the right direction and I still have fans. I'm as horny as ever and working with some exciting new girls from Europe. As long as *Club* wants me, I'm there..."

Oh, *Club* wants you all right ♣

KAMI-KAZE! ♣

We'd like to pilot Kami's pussy...

From that little pubic tuft, the *Club* scientists (who bring their own bunsen burners and pipettes to work) have divined that Kami is not a real redhead. But, frankly, we don't give a damn. In our minds (ok, our cocks) she's a redhead, with her milky skin and fiery mane. We don't really care about matching collars and cuffs, we love the variation of a ginger bonce and a brunette landing strip. Plus, if you're lucky enough to be getting a first-hand look at the colour of Kami's fanny topiary, you're not going to want to blow it by asking her precisely what Pantone reference her pubes are, are you? No, you're going to be in there face first, ginger or no ginger. And you won't even want to come up for air. ♣

DIRTY DEN!

Okay, she's not that dirty...

club 65

www.paulraymond.com

When we told Denise we were billing her as 'Dirty Den' in *Club*, she was up in arms.

"You can't say that, I've got a reputation to protect," she protested. "I'm not all that dirty, in fact, I'm quite innocent. Very innocent!"

Okay, let's weigh up the facts. Firstly, you're appearing in the world's classiest scud mag showing people your pink bits. Secondly, moments before these photos were taken, we caught you sucking off a bloke you'd just met in the lift. Third, you told the photographer's assistant your dream is to be a porn star known for anal sex, DP's and blow-bangs. Fourth, well, we can just tell.

"Busted, I suppose," Denise concedes. "But the porn thing is just a dream, I haven't even started yet. And these photos are classy."

And the blowjob?

"Actually, I should come clean. After I'd finished sucking that guy in the lift's cock, I sucked his friend off too..." ♣

RATINGS: ★ CHOKEY ★★ CHUCKLE BROTHERS ★★★★★ CHUNKY ★★★★★ CHIRPY ★★★★★ CHEEKY

Between the Cheeks

(Harmony)

They're certainly keeping Tanya Hyde busy over at Harmony Towers, churning out porn gold like a motherfucker. You know the MO by now – a sprinkling of fetishwear, a dark dungeon or two, Brits and Euros, unfathomably large penises disappearing into unusually receptive holes. Key moments here come from Liza Del Sierra joining Asian bint Sharon Lee in a threesome, and the always impressive Michelle Moist sucking dick like it's a vitamin essential for life. There are gasmasks and bumming too, but this goes without saying.

★★★★★

Titlicious 3

(Digital Playground)

It's good to see big-boobed Brit Kerry-Louise flying the flag for Blighty-born bangers in this latest titrific effort from Digital Playground. She wraps her natural charms around some hard cockmeat in a move that would have had us coating her neck in seconds. Sara Stone is a past master at tit-based films, but the best tits of all belong to blonde Bridgette B who looks to give one of the best boobwanks on offer in the porn biz. We'd take her eye out. ★★★★★

Girlfriend For Hire

(Wicked Pictures)

Her political career a non-starter, Stormy Daniels has returned to porn in fine form, starring and directing in this latest from Wicked. Of course, if I was directing and starring, I'd cast a load of ugmos so I'd look better by contrast, but Stormy goes in the opposite direction, casting Kirsten Price, Jenna Presley, Sammie Rhodes and Phoenix Marie – a line-up more than hot enough to overcome the rather silly plot for this feature. Pretty girls getting bonked – who knew that would sell DVDs?

LEX APPEAL!

Alexis is a hard girl to track down...

Since we first featured Alexis Ford a couple of years back in *Club*, she's gone from being an up-and-coming glamour model to a firmly established porn star. This has its ups and downs. She's now harder to get hold of when we want to take photos of her, but on the upside, we know exactly which DVD's to hire when we want to see her tongue disappearing into a woman's lady part, or having her face soaked with a jet of jizz. This is a good thing.

Of course, we hope the fame and fortune doesn't get so good that she's no longer available to lick lady parts or soak up jizz, or pose for photos for us. If it does, well, we just give up. Life's not fair. ♣

LAI IN BRITAIN! ♣

Jenny flies the flag for fuckers...

When Jenny appeared in *Club* 39/11, we couldn't speak to her, so we imagined that she was a really horny sexpot. Well, we hit the jackpot. We were so, so right.

"Oh, you hit the nail on the head," says the Brit who boasts sex, dancing and books by Neil Gaiman as her major passions, in that order. "If only it wasn't true, but I'm a dirty girl at heart! When I had these photos taken and I was stretching myself open, I was desperate for a big cock in either my pussy or my arse. Or, best of all, both at once. I had to go home and wank myself sore. I get seriously cranky without sex!"

Yep, we know our girls alright... ♣
